Members Absent: Paul Bolstad, Mike Downing, Ali Elhassan, Terry O'Loughlin

Alternate Member Present: Don Madore

Others Present: Mark Sather

Agenda:

- Discuss the final report entitled, "Recommendations for Addressing the Declining White Bear Lake Water Levels" and how it will be presented at the WBLCD Board meeting on April 16.

The six LLRC members who attended the "Our Water, Our Future" Symposium at Century College reported back favorably regarding its content and structure. They estimated there were 250-300 citizens in attendance. LLRC members who attended were Tom Alvarez, Margaret Behrens, Suzanne Donnell, Ali Elhassan, Janice Hallman, and Scott Mueller. Ali Elhassan was one of the three main presenters. The next symposium is scheduled for June.

The LLRC discussed the various sections of the final report that will be presented to the White Bear Lake Conservation District (WBLCD) on April 16, 2013. Chair Bryan DeSmet will give a Powerpoint presentation to the WBLCD Board and will answer any questions. LLRC members were encouraged to attend the meeting to show support.

The LLRC unanimously approved the final report and directed Bryan to present it to the WBLCD on behalf of the LLRC.

Next meeting's agenda: Follow up the "future actions" in the Recommendations Report which will be to start to implement the directives issued by the WBLCD to the LLRC.

The LLRC will meet less frequently now that its report is completed. The next meeting will be held in two weeks on April 24, 2013 at 7:00 p.m. in the second floor Expansion Conference Room of White Bear Lake City Hall.
