Update from Race 2 Reduce, Paul Steinhauser

Paul provided an update on the study to determine how much water and money could be saved by updating old toilets to current technology. Full report will be available soon. By using an insert in the test households it was determined there was a decrease of water use by 27% for an annual savings of \$78 or \$126 with larger household.

Kayla Myron, WBL – Environmental class did a survey to determine the toilet technology in WBL households. It was determined the majority have 1.6 gpf toilets, 37% have older.

Steinhauser – if the City of WBL could switch all toilets to dual flush, nearly 64 million gallons of water per year could be saved.

City does have a rebate program for water efficiency upgrades.

## Q&A

DeSmet - How will the study information be disseminated?

Steinhauser – Study will be sent to all 5 communities and will be presenting results.

Longville - Where to residents go to apply for rebate?

Steinhauser - At WBL city hall & WB township. Met Council will have 2<sup>nd</sup> round of funding soon, then Birchwood and Mahtomedi will be involved also. Rebate is up to \$200

### **8b. Lake Quality Committee**

8b1, Water level – 922.25 (1 foot higher than last year this time)

8b2. Water temp – 74 degrees

8b3. EWM treatment survey will occur before next meeting. Plan then goes to DNR for approval then applicator can do treatment. \$35k is budgeted (80 acres). In 2010 we treated 174 acres, 2011 41 acres, 144 acres 100 acres, 32 acres 85 acres. Goes up & down. Would like to get approval for treatment now for 99 acres, if more we'll have to hold special meeting to approve. Current spending limit is \$35k; would like \$43k limit.

***MOTION # 3 (Parenteau/Ganz) Move to spend up to \$43,000.00 for EWM treatment; moving \$5000 and \$3000 from watercraft inspection accounts if needed. All aye passed.***

### **8c. Lake Utilization Committee**

8c1. City WBL Fireworks application

***MOTION #4 (Ganz/St Germain) Move to approve permit and waive fee. All aye passed.***

Ganz would like to send letter to Ramsey Co Commissioners regarding opening the beach. Lake is only 2 feet down. Would like to encourage them to open.

Parenteau – they could do some enhancements on the shoreline and use

DeSmet – prepare letter & bring to next meeting

### **8d. Lake Education Committee**

Website visitors up 26% from last year May

### **8e. Joint Powers Task Group**

DNR received some funds for design build estimates for augmentation

### **8f. Treasurer's Report**

8f1. Reserve fund policy. Would like to draft a document for board review.

Costello – input we got from city council was that reserve is too high. Should ask our auditor for assistance on this. Feel we should have 40% as minimum, have a range.

St Germain – in past when we had crisis with milfoil no one would contribute money. Would like to have 100 % in reserve.

DeSmet – policy would identify purpose of reserve and variables.

Parenteau – maximum exposure is 50k thru LMC for litigation. Ask auditor opinion

St Germain – have had grants in the past, now those are gone

Ganz – be careful not to fall into the “have to spend it” trap

Longville will draft a policy

8f2.

**MOTION # 5 (Longville/Parenteau) Move to pay checks 4356 – 4359 on the June treasurers report. All aye passed.**
