

Join WBLCD Lake cleanup event during Manitou Days

You are cordially invited to participate in the first annual Manitou Days WBLCD Lake Cleanup, on Saturday, June 15, 2024, 8 a.m.-12 p.m.

Please join the White Bear Lake Conservation District in protecting WBL for future generations. Choose a public shoreline or get out on the lake in a watercraft.

Details:

- Launch your canoe, kayak, rowboat, paddleboard or motorboat and scoop up any trash you see.
- Don't have a boat? Pick up trash on foot from your own lakeshore, or choose a public park or shoreline to clean up.

*****Important! Do not enter private land without permission from the landowner!*****

- Once you have gathered your pile of trash, take a photo of your trash haul and either email it to the WBLCD office at wblcd@msn.com, or tag us on social media (WBLCD on Facebook or WBLConservationDistrict on Instagram) with hashtag #MDCleanUp.
- Finally, dispose of the trash in a proper waste receptacle.

Contributed

Maggie and Henry Morris with the trash they collected from the White Bear Lake cleanup event.
