White Bear Lake Conservation District

COMMITTEE APPLICANT INFORMATION FORM

(Please type the information, or print clearly in black or blue ink. Attach additional sheets if you necessary.)

Thank you for your interest in applying for appointment to a one-year term on one of the White Bear Lake Conservation District's (WBLCD) standing committees.

As part of the selection process, the WBLCD would like you to complete the information below, and **return it by Feb. 6, 2024**. The questions are intended to help the White Bear Lake Conservation District Board select the most qualified applicants for existing vacancies on its committees. Applications will be reviewed by the Board chairperson, and committee chairperson(s).

At this time, the WBLCD is seeking candidates for the **Lake Education Committee (LEC)**, one of the three standing committees. The other committees are the **Lake Utilization Committee (LUC)**, and **Lake Quality Committee (LQC)**. Descriptions for each committee are listed on the back of the application.

APPLICANT INFORMATION

Committee(s) Applying for: Lake Education Committee

Name: _____

Address: _____

Phone: _____ Email: _____

Please check all relevant boxes below:

I am a lakeshore homeowner. I live in one of the five communities directly surrounding White Bear Lake.

I am a lake user who lives in another community.

I am affiliated with an organization which has management responsibilities for White Bear Lake.

(Please list the organization, and your position.)

APPLICANT QUESTIONS

1) I am interested in serving on the Committee(s) listed above because:

2) The contributions I feel I could make through the work of this/these committee(s) include:

3) I have these unique qualifications to consider when reviewing my application:

STANDING COMMITTEE DESCRIPTIONS

Lake Education Committee (LEC): This committee provides public education, with additional duties that may be assigned by the Board.

Lake Quality Committee (LQC): This committee manages aquatic invasive species (AIS), such as milfoil; tests and reports on water quality; selects and supervises consulting engineering services; oversees ecological impact of activities on the lake, with additional duties that may be assigned by the Board.

Lake Utilization Committee (LUC): This committee reviews dock licenses, lake usage permits, and ordinances; places and removes navigational buoys; communicates with law enforcement and public safety; maintains and enhances the recreational element of lake, with additional duties that may be assigned by the Board.

Mail, email, or bring your completed application form to the address below.
Office hours are Tuesday and Thursday from 10 am to 2 pm.
