**23<sup>rd</sup> annual WBL ice cleanup scheduled**

The annual ice cleanup on White Bear Lake is scheduled for March 7th from 10 am to noon. In the 22-year history, over 1,650 volunteers have collected more than 7,500 pounds of trash that would have otherwise melted into the lake. This year's event is led by Mahtomedi Scout Troop #89 and the White Bear Lake Conservation District.

Please contact Jim Schuster ([jschust64@gmail.com](mailto:jschust64@gmail.com) or 651-269-0976) to register. Volunteers will be assigned an area to clean in advance. In the event of unsafe ice conditions, volunteers will clean the public shoreline nearest their assigned area. At this time, nine groups are registered to participate.
